				A20					
Peter Jones	Tavistock	Devon	England	A20	0017	none	230v 50 cycles		
				A40					
				B40					
Steve Carter	Preston	Lancs	England	B40	0038	none			
John Bunker	Liskeard	Cornwall	England	B40	none	3160			Chapel that has a B40 tone cabinet minus original amp (although this is stored elsewhere). Two speakers have been replaced with permanent magnet speakers, but two original field coils are left in situ, but not connected.
				C20					
Ebay seller – Mick			UK			5290			Ebay seller selling just the serial plate 8-6-23. "The tone cabinet was in poor condition and had suffered from water damage so it was scrapped. It was at that time that I restored the BC it was connected to, and married it up to a Leslie cab (back in the early 90s). "
				D20					
Steve Carter	Preston	Lancs	England	D20	0021	none	230v 50 cycles		Acquired with Hammond Model AB - B&H serial no 0001
